- 1.3 The City shall conduct a salary survey using the fifteen (15) survey cities. Survey will be based upon salaries in effect as of May 31, 2005. Effective the pay period in which July 1, 2006 falls salaries will be adjusted to the mean of the survey.

ARTICLE II - HOURS AND OVERTIME

- 2.1 Work schedules presently in effect shall remain in effect; however, the City reserves the right to change the hours of work as stated above after consultation with the employees involved. Temporary changes in this schedule must have at least 24 hours notice.
- 2.2 The City agrees to implement a twelve hour work schedule for Dispatcher/Jailer positions assigned to the Communication Center, with a one hour paid lunch and two (2) fifteen minute breaks. Alternative work schedules for Dispatcher/Jailer positions assigned outside of the Communications Center may be developed by mutual agreement between an employee (s) and the appropriate supervisor.
- 2.3 It is agreed that the work schedule for members assigned to the property unit shall work a 10-4 schedule. The personnel participating will have consecutive days off scheduled depending on the needs of the assignment.
 - a) It is mutually agreed that employees participating in this schedule will officially begin their work week at noon Friday to avoid FLSA conflicts and/or overtime.
 - b) It is mutually agreed that in the event of unexpected staff shortages, this alternative work schedule can be terminated with 72 hours notice.

- 2.4 Overtime - Overtime work is work performed by an employee outside his/her regular hours and includes time worked:
- a) In excess of forty (40) hours in a work week for members working a 10-4 schedule and eighty (80) hours per pay period for Dispatchers. This provision may be nullified if a shift trade is involved.
 - b) In excess of eight (8) hours in any work day for those on an eight (8) hour shift, in excess of nine (9) hours in any work day for those on a nine (9) hour shift, in excess of ten (10) hours in any work day for those on a ten (10) hour shift, and in excess of twelve (12) hours per day for those on a twelve (12) hour shift
 - c) Time worked outside of regular hours of work on a work day unless notification has been made in accordance with this MOU.
 - d) Time worked on a non-work day unless involved in a shift trade.
- 2.5 Employees who are required to report for prearranged work on their non-work days shall be compensated at the overtime rate for actual hours worked, but in no event shall they be paid for less than three (3) hours.
- 2.6 Compensation paid to employees called out in emergency situations, outside their regular work hours, shall be a minimum of three hours pay at the overtime rate.

- 2.8 Rest Period - The intent of the rest period is to ensure that members of this unit adequately rested for their assigned work shift. In the event a Supervisor or Watch Commander deems it necessary for an employee to work through his/her rest period, the employee will continue being paid at the overtime rate.
- a) Employees will receive a continuous eight hour rest period immediately preceding or immediately following their scheduled court appearance or other departmental assignment(s), if less than eight hours has elapsed during:
 - 1) the time period that employee's regular work shift ends and his/her scheduled appearance/assignment time; or
 - 2) the time period that employee is dismissed and his/her regular work shift begins.

This rest period will not be charged to the employee.

- b) If an employee receives approval to take the remaining portion of his or her scheduled shift off, the employee's leave balances will be charged for the entire shift (as if no rest period has occurred).
- c) The rest period does not apply when an employee is scheduled for court or appearance/assignment the day immediately following a day off.

2.9 Compensatory Time - Employees may accrue compensatory time in lieu of overtime pay. The accrual rate for compensatory time shall be one and one-half hours for each hour of overtime worked.

2.10 Communications Center Staffing - When staffing shortages occur in the Communications Center due to unforeseen or exigent circumstances, Dispatcher/Jailers shall be called back to work under the following guidelines. Staffing shortages shall be determined by the number of fully trained personnel actually on duty in conjunction with the amount and type of work actually needed or logically anticipated on any given watch.

- c) A current seniority list shall be maintained in the Communication Center with an updated work schedule maintained by the Services Division Supervisor and Patrol Watch Commander(s). Dispatch will be responsible for call in/call backs at the Watch Commanders direction. Failure by dispatch to follow this procedure will not subject the city to unwarranted overtime.
- d) Vacations and Holidays - Vacation time shall not be canceled due to short-term staffing shortages unless conditions exist which require a total departmental call-out. Every effort will be made to avoid the cancellation of scheduled holidays, but should it become necessary to cancel a scheduled holiday the employee will be given at least twenty-four (24) hours notice of the cancellation. If such notice is not given, the employee will be paid at a rate of time and one half for the actual hours worked.

An Employee who is on a first pick schedule vacation will not be compelled to come to work on the vacation days or adjacent regular days off unless exigent circumstances exist. MEDICAL APPOINTMENTS POLICY

SECTION 1:

PURPOSE

To provide a city wide policy concerning the scheduling of medical appointments and follow-up communication for employees who are ill, injured (on or off duty), or who have other temporary limiting conditions that require them to be absent from work. A good level of communication is necessary so the City and departments can adequately plan for adequate staffing and provide timely benefits to eligible employees.

SECTION 2:

EMPLOYEE'S RESPONSIBILITIES

It is the responsibility of any City of Lodi employee who is precluded from returning to full duty for more than three (3) consecutive working days, to do the following:

1) If a medical appointment is made for the treatment of a workers compensation injury, schedule the initial, as well as all follow-up medical appointments with physicians, physical therapists, or any practitioner responsible for treating the employee's condition, at the earliest point in time that is available.

2) Contact the appropriate supervisor and verbally (e.g. via phone or in-person) provide notification in a thorough manner of the date and time of each and every appointment that impacts the employee's scheduled working hours:

a. Notification shall be provided as soon as possible before the beginning of the work shift when the employee will be absent, or immediately if taken ill or injured during work hours. For any follow-up appointments, notification shall be provided as soon as feasible after the appointment is set.

b. If an appointment is related to treatment of a workers compensation injury, the employee shall indicate not only the date and time, but also who the appointment is with and type of treatment being provided.

c. In those instances when appointments are scheduled directly by the City or its contract administrator for treatment of a workers compensation injury, the employee is still responsible for contacting his/her appropriate supervisor and verbally providing notification in a thorough manner of the date and time of all appointments.

3) Attend all appointments as scheduled. Failure to attend these appointments may result in denial or suspension of benefits. Changes in workers compensation appointments must be re-scheduled through the Risk Management office.

4) For conditions that preclude the employee from returning to full duty, medical certification (i.e., a doctor's note) must be provided immediately after every medical visit or treatment, to their appropriate supervisor. The supervisor will then forward the medical certification to Human Resources. Medical certification should provide:

- a. A statement that the employee can not return to full duty,
- b. A statement as to whether the employee can perform modified duties with any restrictions clearly stated,
- c. The date/time of the next appointment, and an estimated time of return to full duty,
- d. If the employee has reached the point where he/she can be released to full duty, then medical certification indicating the employee is released to full duty without restrictions must be provided.

A Department Head or supervisor may request medical certification for absences at any time for reasonable cause. A Department Head or supervisor may also require an employee to call in on a regular basis to provide updates regarding his/her status.

SECTION 3:

ADHERENCE

If an employee does not provide notification, submit appropriate paperwork or otherwise adhere to the provisions of this policy, the City of Lodi may:

- a. Delay or deny benefits. In the workers compensation system this may affect temporary disability payments or payments to physicians, physical therapists, or other practitioners responsible for treating the employee's condition.

- b. Initiate disciplinary proceedings as stipulated in Article XIII of the City of Lodi's Rules for Personnel Administration.

Failure to adhere to the provisions of this policy may also constitute violation of the Administrative Policy and Procedure Manual - Employee Separation Procedure. An employee's failure to notify a supervisor of an absence or to arrive at his/her designated workplace for three (3) consecutive workdays as scheduled may be considered an unauthorized absence and/or an abandonment of position. Such absence may be processed as an automatic resignation or be cause for disciplinary action up to and including termination.
